“ Lorenzo was the kind, compassionate, honest, hardworking, and overall a great man. He was the type of person you could share any and everything with, and have no fear of being judged. I think about you day and night Primo, I am sad you are gone and will definitely miss your spirit. Although I know you are a man of God and have ascended alongside our Father. Goodbye Lorenzo I will always remember you, I Love you so much

“ I always looked forward to our conversations in the morning before work. I knew him as Primo. He always had a smile on his face. A true people person. He had a heart for everyone that walked thru the doors. Wether it was your first day or you were moving on. He was a model employee “partner” as we called employees. I will miss him as a co-worker. But. It’s the friendship I will cherish forever. Primo. You will be missed. But. Not forgotten.
