“ To my good friend Lori , I will miss you my friend . I will miss our conversations about God , your concerns of your children and parents.

With tears of your loss and joy, I know God has made a way for you. As you walk through the gates of Heaven , all is well my friend. Until we meet again in Heaven with our Heavenly Father in Heaven in the names above all names Jesus Christ our Lord and Savior . Amen!!!

“ Aunt Lori, I don't think I could ever put into words the kind of personality you have. One thing that I'll always hold with me is how proud you were of not only me but everyone in your family. You always found ways to brag about us. I recall once me and my dad coming to visit and you screamed at one of your friends across the hall "THIS IS MY NIECE" I love you deeply. Play a good round of bingo with grandma while you're there!

Lori your were an amazing person. You always called me Aunt Gail even tho it was through Troy that we meet. Your kindness and beautiful smile stood out to me. I remember playing games with your Mom and Dad and loved them from day one. I'll always remember you. May you RIP and heaven has gained another angel.
