“ I met Lori in first grade olmos elementary San Antonio she lived down the street from me... When i first say her we became friends and we walked to school together.... She was having a hard time if this is my Lori... I believe her dad was not doing well... She moved at the end of the year ... I never got to say goodbye... Rest in peace my good friend from my past... You are always in my memories...

“ Lori was a great friend. She was full of life and vibrant. Holmes Hight School '79 would not have been the same without her. The circle of friends we had, of course she was the natural cheerleader of all of us. Rest easy Lori. I will miss you. Robert & Edith Englehart
