

Lorine Teel

April 24, 2014 - April 24, 2014

Lorine Mueller Teel went to be with The Lord on Good Friday, April 18, 2014. She was predeceased by her husband, Herschel Teel and is survived by her step-son Jack Teel, her nieces Debra Smith, Donna Mendoza, Starie Seay Fraser, Cristal Sims, and their families.

Lorine was the first of three children born to Gertrude and August Mueller. She was born on January 11, 1924 at home in San Antonio, Texas. She worked in civil service at Kelly Air Force Base until she married Herschel whose career moved them to Dallas. She then worked in various temporary jobs, prepared taxes for extra income with her husband, and even sold Mary Kay cosmetics. In her spare time, she loved to sew and make ceramics.

Lorine and Herschel loved to travel and found lots of happiness in their travel trailer visiting places all over the country and made many friends over the years in various RV parks they frequented. When they felt it was time to quit traveling, they moved back to San Antonio to be closer to family and this is where they spent their final days.
