“ Louie was always the kindest, sweetest and most loving man. He and Birdie and me and my hubby Stan became good friends when their granddaughter (Michelle) married my son (Robert). He had a heart of gold and he loved his "Birdie " and she loves her "Louie". We would get together once in a while and have breakfast taco's. We would bring the taco's and they would make the coffee. They were there for me 2 years ago when I lost my Mom. They were my fill in parents helping me thru the rough spots. Even though we were a generation apart it always felt like we grew up together. I could not love a couple more than I love my Louie and Birdie. It has been a blessing and a privilege to have his friendship and love for so many years. RIP my sweet sweet friend. I promise to be there for our Birdie till the time comes for her to reunite with you. Love you so much Louie.

“ *This man was the world to me and he will be missed. For those of you that know me well my sun rose and set on my grandparents and today will be the hardest day to have to plan a funeral for one so dear to me and one who made such a huge difference in my life and life of my family. To some he was known as Grampy, some Daddy or DaDa but to many he was Louie. I have sat and looked at pictures over the last few weeks since he became so ill and I was amazed at how many people he and my grandmother have touched in there almost 70 yrs of marriage and his 90 wonderful years of life. He was blessed with a beautiful daughter, 2 granddaughters, 3 great granddaughters one great grandson and one great great grand daughter. My heart breaks but I know he is no longer in pain and is with his brothers and sisters and most of of all his Momma and daughter. So on Thursday January 19th, 2017 we will lay him to rest. I will miss you and my heart breaks so until we meet again I love you.*

“ *Louis was my neighbor I grew up and knew him for 15 years I hung out with my little brother and sister after school when I was a child and he was generous, kind, and protective at times. I remember going over to his house when I didn't want to be home and before I graduated high school he told me he was proud of all my accomplishments and he protected my family's house from break ins several times and I have so much respect for Louis and although I haven't seen him in three years since he moved out from w poplar street, I will never forget all that he has done for my family. My deepest condolences go out to his family.*

“ This wonderful man was not only my wonderfully kind and funny uncle, he was also my Godfather. His sister Frances was my mom. Her and I adored him. My dad did too. I have so many wonderful memories, as a child, of him and our weekly visit to his home, that he shared with his beloved wife, my Aunt Birdie. I was a huge fan of the Batman series, when i was a little kid, in the late 60s. I lived to pretend I was Batman and Uncle Louie was the Joker. However, in his humorous eyes, it was the other way around. And in this strange voice he would yell out The Jokerrrr! When i would enter the room. He knew i was Batman. LOL. He impacted my life, as a child, in so many ways. I will he truly live in my heart and the memories i have of him will stay with me until I get to see him again. My prayers go out to my Aunt Birdie and my cousins, his granddaughters Deedee and Michelle amd their families. He loved you three very much. All of my live to you all with many hugs!
