

Louis Riojas Barron

January 11, 1933 - March 27, 2013

Louis Riojas Barron, age 80, fell asleep in death on March 27, 2013 in San Antonio, Texas. He is survived by his loving and beautiful wife of 54 years Lupita, his sister Celia Sally Orozco, his brother Roy Lee Barron, his daughter Yolanda Maldonado, sons Jose Luis Barron and Daniel Lupe Barron, his four grandchildren: Nicolaus Jonathan Maldonado, Daniel Jacob Barron, Adyn Christian Barron and Priscilla Rose Barron, son-in-law Saul Maldonado Jr., daughter-in-law Elizabeth Barron, nieces and nephews and great nieces and great nephews. "Louie" loved to work and help others no matter what the cost, time or resources it took. Louie was a good husband, loving and caring father, grandpa, uncle and above all a faithful servant of Jehovah God. Louie dedicated his life to Jehovah God and symbolized it by water baptism on June 16, 1973. Louie enjoyed the door-to-door ministry and informal witnessing. He took every opportunity to give a witness about God's kingdom Matthew 6: 9, 10 and the hope of living forever on earth when Jehovah and his kingdom restores this earth to a paradise Psalms 37:29. Louie was a lively character--always teaching life's lessons with his illustrations that brought laughter and a smile to everyone. Louie loved to take Lupita dancing and going out to eat. Louie loved to spend time with his grandchildren, always making sure they walked away with a lesson learned. His family and friends loved him dearly and he will truly be missed. We will see him again when Jehovah God awakens him in the resurrection John 5:28. 29 in the paradise earth.
