*Deepest sympathies to the Gonzalez family. Sending prayers and love to you all during this difficult time. Louis was such a genuinely nice man. I knew Louis through Dora and was newly divorced with young children. Louis, without judgment, offered to help if I needed anything. You could immediately tell he was a caring person who would go out of his way for someone. He and Dora were a beautiful team. Thank you so much for sharing Louis's ceremony with us. May he rest peacefully in heaven.*

“ Iliana and I were friends and soon became roommates. We were so excited to move into the house but needed to paint the walls and floorboards. Mr & Mrs. Gonzalez came over and helped us with everything. Being the AMAZING decorators they are they gave advice on colors and furniture...he even helped my dad put up a huge mirror on the wall. They helped with everything and expressed how proud they were of us both. They stayed till we were all done. Thank you Mr Gonzalez for being such a kind man. I still have the house and I love that mirror, but the memory of making the house a home in the early days with the help of Mr and Mrs Gonzalez is a great memory.

“ My sincere condolences to Dora and his family. I had the pleasure of knowing Louis since high school. Louis and I retired around the same time and he persuaded me to start bike riding. I will always remember our bike rides and meeting other high school friends for breakfast. Dora, we share the loss with you. Louis was a true friend and his memory will stay with me forever!!

“ I was deeply saddened to hear of Louis's passing earlier today. I met Louis while we both served on the USS Lexington in Pensacola, Florida during the 1972-75 period. I did have an opportunity to see him once again at Coushatta Casino with his family. My deepest condolences to his family.
