“ I have so many fun memories of my Great Uncle Louie. He showed us a great example of how to enjoy and live life to the fullest. He brought joy through his witty sense of humor. I was so saddened by the news, but its comforting to think he will be watching over his family and will never be forgotten. Ryan and I send our condolences, love, and prayers to all the family. Rest In Peace Uncle Louie

“ I was sadden to hear about Louie's passing, for the family mostly. Louie is in a much better place, a place he went to for a few moments years ago. As I remember it, he was not afraid to leave this 3D experience to go home to where everything is love.

I have fond memories of sitting around the dinning room table talking to Louie and yes being offer the proverbial shot of tequila. "It's good for you", he would say. Hearing the words "OPA for the toast and I remember many other of his sayings often. A couple of other sayings that Louie had were "It's a military top secret" and "only you know". I use some of these words as my own now. Great to see your picture.

We never died, just as Louie did, we go from consciousness to super consciousness in a split second. I know the family will miss him greatly, I hope these words can make you see a more positive side to this event. See you on the other side Louie.
