“ Louise Finney's life and time with our family has been a true blessing and is something we will cherish and hold closer to our hearts even more as she now starts her eternal life in Heaven.

Lou was a very quiet and reserved "lady" who had more influence on our lives than she may have ever thought or imagined.

She was that example and influence for what it means to be a faithful and devout Christian. She always spoke about the importance of prayer and she guided us to always believe in Jesus Christ.

We are truly fortunate and appreciative that Lou's presence in our lives has set us on a more righteous path of life. We are all so much better because of it.

To our Blessed Step Mother...Lou !!

“ Although Lou Olga was 20 years older than me, I always felt a special closeness to her and her sisters. I shall never forget when she and Willyn paid a visit to our Drug Store in Austin a number of years ago. We talked of the many fun times with Grandmother & Grandfather Nau in Yorktown, Texas. Of course we had a treat at the Nau's soda fountain...she so loved a good milk shake!

She set the example of a how to be a proper business woman... always organized, efficient, cheerful and kind. I will miss her yearly Christmas cards.

Blessings to Burt and the entire Finney and Heye family.

“ Aunt Lou was a special lady to me. Our birthdays were only a day a part but I considered them to be on the same day. She loved to played the piano with my mom, her oldest sister, and I am lucky enough to have a tape of them playing & singing together with their other sister (Wilyln). She loved her family and was the founded in her faith. During our many talks, she would tell me... I don't know why the Lord hasn't called me home. I guess he still needs me. She would giggle and I would smile knowing my Aunt was so faithful, trusting and knowing where she would be when The Lord did call her home, and I know she is playing a piano duet with my mom for our Lord.

I will treasure my memories of her and know I will see her again.
