

Lucila "Lucy" Resendez

April 9, 1928 - August 6, 2024

It is with heavy hearts that we announce the passing of our beloved mother, grandmother, and great grandmother. Lucila departed this world on August 6, 2024 at the wonderful age of 96.

She is joining her husband, Patricio Resendez, her son Augustine Resendez, grandson Rene Patrick Resendez, as well as numerous family and friends that preceded her departure.

Lucila (Lucy) leaves behind her daughters Hortencia Pastrano (husband Andres), Irma Dominguez (husband Joe), and sons, Gilberto (wife Carla), Adolfo (wife Mary Esther) and Arturo. Additionally, Lucila passing leaves an empty spot in the hearts of her wonderful 9 grandchildren, who have often professed what an amazing grandmother she was to all of them, 17 great-grandchildren and 8 great-great-grandchildren.

Lucy was a dedicated wife, a tireless and loving stay at home mom. She stayed busy raising 6 children, while accompanying and supporting her loving husband to build his business.

Her passion was cooking for her family and friends. She enjoyed gardening, sewing, traveling to places like Mexico, Colorado, and the Grand Canyon with her family. She also enjoyed the occasional trip to the casino for a little fun.

She enjoyed shopping at all her favorite stores, having the occasional lunch at our local parks and watching her spanish telenovelas. Her favorite hobby was to crochet items such as baby shower blankets, afghan blankets, and many handmade requests for friends and family. She made her children-crochet pattern bedspreads, tablecloths, dollies and her grandchildren's 1st baby blanket.

Anybody that knew Lucy will fondly remember her generosity of spirit, the warmth of her home and her ability to always make room for one more at her table. Her lasting legacy will be of a giving soul, kindness of spirit, and the desire to always be of service to others.

During her life she enjoyed sharing wonderful stories of her life growing up in Mexico and coming to United States in 1946.

It goes without saying that Lucy was truly a special person. She will be sorely missed but will always remain a bright light in the memories of all who knew and loved her!

May her memory always be a blessing.

“ *To put it simply, my grandma was the best. The love I felt from her gave me constant comfort and confidence growing up in her presence. To say my grandmother meant the world to me would be an understatement and I can't put into words how much I will miss her. I will always remember her as the angel on earth she was and will think of her often. Until we meet again Grandma!*

“ From your loving son, Gilberto.....

It is with a heavy heart I share my thoughts of my dearest mother, Lucila "Ms Lucy" Resendez as she was know to all. Mother was a good friend, awesome wife, grandmother, great-grandmother, great-great grandmother and a special person. I miss mother already and will continue to do so. Mother played a huge role in my life and was a great influence. Mother also gave me good advice on everyday matters. What I miss most is our special time together, her beautiful smile and warm kindness that she render to me each and everyday. I look at her passing as part of a great plan that my creator put in place. I think of it as a "Sweet but Bitter" moment in my life. Sweet because my mother will be reunited with our dad (Patrico) and Bitter because mother will not be here anymore. However, mother will be forever in my heart and thoughts each and every day. For all I have to do is close my eyes and remember her beautiful smile and listen for her soft voice. A special thanks to my sisters Tencha, Irma and my brothers Adolfo and Arturo for helping me talking care of our mother prior to her passing. As my mother always would say to me each time as I left her went like this, "Si Dios quiere, nos vemos mañana".

“ To the Resendez family,

Mom you will be missed dearly. Mom was a great mother and grandmother, she loved everyone.

She always welcomed you to her home with good food. (Mom) was a happy smiling host. She liked for me to barbecue and cook chicken, sausage with all the trimmings. I learned a lot from my Mother like her cooking, sewing, and crafts.

She loved to go shopping at Walmart and buy something for everyone. One of her favorite places to eat "fried chicken" was from her favorite Bill Miller location only. Then go to the park to eat.

She liked Popcorn from Target. Enjoyed going riding and did not want you to bring her home right away.

She had a beautiful smile and was silly at times. I will never forget those special memories. She was my best friend and counselor.

It was was such a blessing to me to be her caretaker for 10 years, along side my sister and brothers.

Mom you will always be in my heart. Love you, Hortencia

“ .. After breakfast, she would say to me "Where are we going today?
I'm dressed and ready to go"...She loved her daily road trips down
Loop 16 (Military Dr) Fort Sam Houston to take my brother flowers,
then go take my dad flowers. It felt like I was driving Miss Daisy. We
took day trips to Laredo, Austin, Floresville, Luling. She enjoyed
having lunch outdoors at Brackenridge, Mc Arthur Park, Orsinger
Park, under the shaded trees. This is one of many things i will miss.

I want to say thank you to my Sister and Brothers. Mom loved each
one of us in her individual way. Mom's quote - Que dios te bendiga
y te cuide.

Mami - te quiero mucho, tu eras mi todo.

Hasta que nos volvamos a encontrar.

“ I have warm and happy memories of going to visit our aunts and uncles on Pyron st. Resendez relatives right across the street from each other. How cool was that? A bunch of cousins to hang out with ! Tia Lucila always had a warm and cheerful greeting and would always ask how our family was doing. The guys were usually under the hood of their cars tweeking something to run faster. If i remember Tino had a blue Pontiac, Gil a Super Bee and Adolf a Camaro. Good memories. From our deepest hearts.. We love you Tia. From Armando and all the Segovia family.

“ My Lucy was a good cook and talker she introduced me to watch the novelas like Topacio and Red Rose that how I started my Spanish talking she had talents tried crochet never got the hold of it. As growing up with the Resendez her husband Patricio also invited me to work with him on the carlot boy that was fun he taught me the value of money and taking care of paperwork and he started me watching wrestling on the weekends grandpa was a awesome man of you pay attention and not miss treat him always help out his customers with payments cause I took them on a regular basis. And when it was time to come home Lucy would have are dinner made I mean good restaurant food. And also she loved watching wrestling with us late at night she screamed, yelled and something say bad words in Spanish never know Lucy was that aggressive but she loved her Von Erich especially Kerry that was her favorite wrestler. So now that my two favorite companies are gone I will differently will miss their talks and stories they told me just amazing me. My grandparents the Resendez they both lived a happy life and know we moved forward and care them in are hearts knowing that they still be with us in spirit.
