“ *Cil was a great person. She was like a second mother. I will miss her dearly.* ”

“ *Cil was a loving mother, grandmother, friend and to most people she was a giving and gentle freind. She cared for so many kids and had so many friends. For the last few years Cil has been very sick. She was a very strong person and endured so much pain, so much that no one knew she had pancreatic cancer until the very end. May Cil Rest In Peace with no more pain and watch over her loved ones from the heavens above.* ”

Blessed are those who mourn, for they shall be comforted. Matthew 5:4

*Cil was a most beloved lady to the Southwest area...she practically raised most of kids in the area from birth to kindergarten as well as after school care through her day care. Cil was like a second mother to Mike from the time he started at Southwest as he and Charlie were very close friends... she has always had a special place in his heart. You know it is inevitable that we will all pass away...when it happens its like...oh no...I just loved her and appreciated her and pray that she knew how much she was loved by SOOO many people...as she truly touched so many lives.
God Bless you Cil...you are in His house now...may your family and friends find comfort in that.*
