“ *To Lucille's family,*

*My name is Mary Joyce Bienek Sulaica, a cousin. My parents were Elise & Clement.*

*Clement was your father's brother. I went to St. Gerard High and was a Senior when Robert and Gary were Freshman. I believe the last time I saw all of you was at Sister Geraldine's funeral.*

*I was sorry to hear of your mother's passing, but even though she lived to the age of 90 it is still always hard to lose a parent. I am so sorry to have not made it to the rosary. I wanted to but my husband is fighting cancer now and he was having a very bad day.*

*Christmas is a hard time to lose a parent my mother died on December 7, 2002.*

*Thinking of you all.*

“*We lived next door to her all our "growing up" years. Mom and Dad were always very happy to have Mr. and Mrs Bienek so close and great neighbors and friends. Mrs. Bienek always was so friendly. Prayers for all the family. May God Bless. From the Bailey Family*

“*I have many memories of my grandmother. Most of which I will always hold close to my heart. My favorite memories would have to be those of which she told stories of her days growing up. From her cotton picking and peanut shaking, to her talking about her guests she served at the diner she met her love at. Her laughter will always radiate my memory.*

*Auntie, how I used to love getting our families together for Christmas or whenever. You had a way of making me feel so welcome and cared about. Dad, Uncle Tony and Geraldine are celebrating your arrival in heaven! You are loved dearly and will be missed! My deepest condolences to all the family.*

*My great grandma and I made so many memories, I'll miss making more, but will never forget. She taught me so many things that's I'll never forget. She loved everyone so much and never said or did anything bad, she's such a great person, I hope I can live up to your great standards. I love you so much and will miss you and coming over every Sunday after church, but I know you are having a good time in heaven 🙏💔💕*

*What a truly special and beautiful lady inside and out. A simply wonderful lady who we will all dearly miss but never forget. Always cheerful, loving and supportive with never a bad word to say about anyone who put God and family first, and always lived her life like a true Christian does. Truly one of the absolute sweetest ladies I've ever known and I consider myself very, very lucky to have called her aunt.*

*My prayers are with you all in this most difficult time.*

*All of our love,
