“ Lucille came into my life a year and a half ago and that was not nearly long enough. I serve as the St.Louis parish nurse and have had the blessing of visiting with Lucille every other Wednesday. Her greetings were always followed by laughter and joy. I got to know Lucille so much more as we took our weekly walks around the church square over a 6 weeks period in early spring. We had only just made arrangements to start playing dominoes since it was too hot to even think about venturing outdoors. I am saddened by her passing but know she is with our Lord and Savior and walking the streets of gold.

Sincerely,
Gail Hutzler
