

Lucille E. Posey

March 11, 1922 - March 14, 2017

On March 14, 2017 Lucille E. Posey (Lucy, AKA Toots) moved from this world to the next after just celebrating her 95th birthday.

She is survived by her daughter Tobie Frey and her husband Hal, son Johnny and his wife Annie Posey; Granddaughters, Jennifer Flanagan, husband Joey, Kimberly and husband Jeff Marsh, and Grandson Paladin (PJ) Posey; Great-grandchildren, Tyler and Connor Flanagan; Delaney, Cooper and Cason Marsh; Niece Robin Ferguson and Nephew Gregg Miller.

Gregg, who upon hearing of her passing wrote: Aunt Toots was the only person in the World who helped me for over five years when I was guardian to my Alzheimer father. She flew from TX many times to help out during those desperate years and hosted my father at Christmas time in her home. Aunt Toots celebrated life by helping others-including our country as the wife of a career military uncle -and entertained troops on USO tours when he retired. Toots was part of America's greatest generation where morals, values and integrity were a way of life and carried those values to the end. My Aunt Toots is now in Heaven walking with our Lord and dancing with the Angels. I will miss her dearly.

She was a fighter to the very end and now is at peace among the many family and friends who went before her welcomed her with open arms. All of us who

stay behind will miss her, but will always have her live in our hearts.
