“ Hey Grandma, I missing you a lot tonight. It's still so unreal and for the most part I keep on going because It would break my heart to disappoint you by not being happy and doing my best. Sometimes it's hard knowing I won't ever experience a love like yours, so unconditional & so strong. It's almost a year and I'm not ready. You were our anchor and now I feel like a boat that's floating away into a storm without. Sometimes it's scary but I keep the faith you showed me and trust that God will take care of us. I love you

“ Sister how I miss our weekends you'd come over n we'd watch movies. You always laughed n said you got a kick out of me laughing at the movies. You were my companion when traveling n even though we never made it to New York one day with God's will I will get there but with you at my side. Miss you so much sister 😭😭 but know you are suffering n God needed you home. You are the Angel watching over Mauro n your family. Rest in Peace sister. Till God calls me home. Love you. 😭😭

“ My dear aunt: I want you to know how much I love and miss you. I've always admired on how much tough spirit you've always had. You took on the role of being the best single mom anyone could ever be. One of my best memories of you , was one Easter, I gave you a hard boiled egg, and you thought it was a cazzcarone. You immediately tried to crack it on my head. Then I told you it was a boiled egg, we both just started laughing as you rubbed my head . That was truly a classic moment. I have kept that memory for quite awhile. Thank you for that... but I also remember when you were teaching Mauro how to catch a stop baseballs . That was really classic. You are now with god , so he has another special angel to watch over my cousin and his family. Thank you again for being an amazing aunt. God bless your sole . Love and miss you.. your nephew Tony...

“ A VISION

*An angel sang
in the heavens tonight
And welcomed another soul
with pure delight*

*A soul that left
loved ones behind
And suffers no more,
is peaceful of mind*

*The angel then guided
the joyful soul
To meet the Lord with grace,
“Welcome, Lucy, my child” He said
And gave the soul
a warm embrace*

*An angel sang
in the heavens tonight
as the Lord received
a precious soul
with pure delight.*
