“ *My Mom was the best mother and grandmother. She was very spiritual and loved people of all faiths. She was a very devout Catholic and prayed with deep faith and humility.
Mom, Mike and I and your granddaughter Stefania love you very much. The best job I have had in life was not working in the medical profession and psychology, for the best job was taking care of my sweet mother. I know you are now in heaven and resting in God's loving arms and if the Holy Family!
Love and miss you mom!
