“ Lucy! You were not just my Aunt. You were also a Mom and Best Friend to me. I will forever cherish the many memories and laughs that you and I shared together. Also, the great and crazy conversations that we shared will always remain in my heart. You were blessed with a big beautiful Family. My heart is broken but I know that you are in peace and in a much better place. I miss you now and I will miss you forever... Until we meet again. ~ Love you always, Alice Aguirre ~
