

Lucy Elena Reyna

September 1, 1964 - January 31, 2026

Lucy Elena Reyna, aged 61, formerly passed away on January 31, 2026, following a 5 year battle with Alzheimer's. Lucy was born in San Antonio, Texas, on September 1, 1964, to parents Elena Reyna and Anastasio with joining siblings Jose and Robert Reyna, Sylvia Lucio and Marie Jones. Lucy is survived by Raymond D. Martinez and his two daughters, Roshanna N. Reyna and her daughter, Nathaniel D. Martinez and his three daughters, and Ski-Lynn S. Martinez.

Her favorite things to do were to dine at new restaurants, watch TV crime shows, have a night out at the cinemas, relax at the beach, and play racquetball. She enjoyed the annual Texas Renaissance fair. Lucy always wanted to travel and loved her trips to Chicago and New York. She was a devoted, unwavering mother to every one of her children. The kind who would hand over her very last dollar without a moments hesitation, because her family's needs always came before her own. She was a strong woman who faced many challenges throughout her life and conquered most of them with courage and grace. Even as she battled Alzheimer's, her spirit remained resilient, and she was surrounded by the love and support of her children and grandchildren until the very end. Losing her has left a deep void in our lives, but we are grateful for the time we had together and the memories we shared.
