“ *My condolences to all. I met this lady with a beautiful soul over 35 years ago. We would sit and talk, mainly about family. She accepted me into the family when I married August Jr and still considered me as such after we divorced. She would give you her honest opinion, she also a strong and tough lady, took care of others. Family was everything to her. She will be greatly missed, and was loved by all.....Love and miss you....RIP sweet lady*

“ *She is every perfect word. Really she is every perfect everything. There are no right words to describe her. Nothing I say can justify just how amazing she was. Anything that I say would be a complete understatement. If you were ever graced with her presence, you were more than lucky. I could talk about her forever. I can't imagine seeing her lifeless.. she was always full of life. I'm heart broken..*
