“ *Compadre we love you and will miss you dearly. I will hold all the memories we shared together from the good, bad, hard, easy, mad, happy, scary and fun times we shared with our families. My favorite memories are when we would sit around for hours and talk about everything, cracked jokes til our tummies hurt and our get serious talks all rowed up. I love hearing our children walking around with our old inside jokes. Thank You for all your love and support you gave us throughout all these years. Until we meet again our Angel Compadre*

“ *I had the pleasure of working with Louie for about 10 yrs with US Security, he took pride in all he did, he was promoted several times each time taking the role with greatness. He was a genuine friend as well always asking about how we were doing and our families. The most important memory I have of Louie is the love he had for his wife and children he would speak of them always with love respect and affection he truly loved them all. He will greatly be missed by my family which have all had met him at one point or another. Roy and I send our sincere condolences and will continue our prayers.*
