“ The first time I met your Poppa was at the soccer game I was reluctantly playing in. I was a horrible player but he would cheer me on, giving me words of encouragement... and then as it was becoming obvious my performance wasn't going to get better he jokingly started telling me to just come off the field and sit by him and Momo; looking at me on the seat next to him he asked, “You play any other sports?”😂 He was a rascal!... and he'll be greatly missed🙏 We send our love, prayers and sincerest sympathy to Corina and the entire Vera Clan.
