

Luisa M. Sonntag

January 3, 1971 - April 27, 2026

In Loving Memory of Luisa Marie Sonntag

It is with heavy hearts that we announce the passing of our beloved mother, wife, and daughter, Luisa Sonntag, who left us on April 27, 2026. She will be greatly missed by her Husband of 33 years, Erich; Son, Erich Michael; Mother, Ofilia; siblings; Lambert and Linard.

She was a fighter in every sense, bravely battling several illnesses in her later years, yet she never allowed her health challenges to diminish her vibrant spirit or her fashion-forward sense.

As the most loving mother, Luisa poured her heart into caring for her family. She was deeply proud of her son's military service and was proud to be an Airforce Mom. Her love was most evident in the thoughtful gifts she loved to give and finding joy in making others smile.

Music was her passion. She found joy in singing and dancing, often filling our homes with music that reminded us of life's simple pleasures. Her ability to light up a room with her energy and warmth will forever be cherished by those who had the privilege of knowing her.

Though we mourn her passing, we celebrate her life—a life filled with love,

laughter, and innumerable beautiful memories. Luisa taught us the importance of strength, kindness, and the joy of giving. She will be deeply missed by her family, friends, and all who were touched by her generous heart.

In her honor, we invite those who knew and loved her to join us in celebrating her life and legacy.

“ *I'll always remember my Aunt Luisa as the fierce, cool aunt — full of fashion, style, and glam. I remember riding around in her “cool red car,” where she'd let us wear her oversized sunglasses and tag along with her to the store. We were usually listening to rock music or our favorite pop icon, Britney Spears.* ”

She was kind, caring, and carried a spunky light that stayed with her throughout her life, no matter what she may have been going through privately. Her platform flip-flops, sparkle, and vibrant spirit were simply part of who she was.

She will be deeply missed, but never forgotten. We are all so lucky to have known her and to have loved her.

“ *There isn't enough words to describe such love, light and laughter that my aunt has blessed us and the world around her with. She will always be the fun and cool spirited aunt I know and love forever and always. One of my fondest memories is bonding over getting nails done and looking at all the acrylic powder colors with her as a little girl. We would laugh and just have an amazing time .*

“ Hey Mrs Luisa (and fam) your lash girls here
□ my favorite memory is always seeing you come through our doors getting ready for your lash appointment! We know your routine like the back of our hand. From struggling to come through the door because you always have a bag, your Stanley, glasses & typically a gift for us. Putting everything down, giving us our hello hugs & running to the rest room to freshen up. Your little giggles always make us smile & we're always so surprised to see what type of gift you conjured up. Whether it was a celebratory gift or simply a chicken bake because you said we work too hard and need to eat. It's so funny because you sit in our chair & get so excited getting your lashes done only to stop in the middle of the appointment to snack on your m&m's & take your sips of water. Then, back to your story lol. We appreciate all the crazy stories & positive talks you gave us. You truly kept us going through such hard times & I'm sure you never knew how much light you brought to our vision. When we met we were just 23 & 25 year old girls, stepping into business opening our first salon. And got introduced to someone who made such a huge impact in our lives. You gave us a listening ear when we needed some words of wisdom & we cannot express enough how much your friendship meant to us💕 thank you thank you thank you for showing up for these freaking lashes. Just know, everything we talked about will definitely come to fruition with you in the back of our mind. As many times as you told us you wanna be like us when you grow up, the reality is we want to make sure we grow up with so many of your characteristics. Spice, positivity & selflessness. We will always keep your energy with us & take it to every new height we scale to.

We'll miss you & will always Love you,
Your lash girls 💕

Thank you for the kind words. She loved her appointments with you guys and considered you all true friends. Thanks for treating her as a friend and not just a client. That meant a lot to her and myself included

“ We made a lot of memories growing up. As adults we would still talk about those memories that stood out and laugh. Anyone who knew my sister for a long time knew she had a string personality. She could be very determined at times, a fighter. Those same people also know that although she had some challenges with her health the last several years, her personality was ever present. Her highest priorities were always her family. She was a great sister, mother, daughter, aunt, and sister-in-law. I do not believe she really understood how many lives she touched and how many people’s lives will be impacted forever. Luisa, I love you and miss you so much.

“ As little girls we played together. Our families gathered for many meals and enjoyed time together. You were a beautiful, bright light then, and continued to be so to all who knew you. Eternal peace be with you dearest Luisa as you light up Heaven.

For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

“ Loving, caring, fierce, generous, enthusiastic, intense and a fashionista to the core! That was my niece, Luisa... She loved many things but she loved her family the most. Her pride as a mom to Erich Michael was evident in all she said & did. Your uncle & I will treasure the times we spent together & will miss your love & vivaciousness for always. May you rest in peace, my little Princess. I know one of those shining stars will be you!
