Lupe Guerra Leija, 59, of San Antonio, Texas, passed away peacefully surrounded by his loved ones on Thursday, February 10th 2022.

He had many friends and due to his travels, met many more that loved his good spirit.

He is preceded by his mother Gloria Guerra Leija, aunt and uncles and grandparents.

“ My name is Janet...My husband worked with Lupe for over a decade...his name is Billy Mac Gunn. Lupe has such a kind soul...he would text the SEFL gang when one of the brothers was ill or lost a family member and pulled together a collection to help the family. He was the ROCK of the SEFL gang. I've talked to him a few times about my husbands illness (Parkinsons and Dementia) and he always had positive words for me and to trust God! He spoke highly about his love for his wife and how they would go to karaoke. God Bless You Lupe...you will be missed by many! Our condolences to the Leija Family...all of you are in our prayers!! Sincerely, Billy & Janet Gunn

“ I've known Lupe since I started at SEFL in 2007. He always had a smile on his face! I always liked it when I needed to call him about a delivery or something because I got to hear Sweet Home Alabama play on his phone instead of the phone ringing! It always made me smile and when he'd answer I'd tell him he answered too fast and that made him laugh! You are missed Lupe...

My deepest condolences to Lupe's family. I still cannot believe that he is no longer here. I met Lupe back in 2013 when I started working at SEFL. He was always with a smile, always looking out for others in ways to help them. Making sure no one went without. He was our Communicator for all that was going on in our SEFL family. He will truly be missed. Thank you for all you did and all the wonderful memories that I will truly cherish. Until we meet again Lupe, I WILL MISS YOU DEARLY!!! REST IN PEACE....
