I Thank you and Lupe for always welcoming me in your home for the back yard cook outs and conversations every time I came home to visit when I was on leave from the Navy. “ My deepest condolences to the Ornelas and Diaz families on Lupe's death.

Lupe and I worked together at Lerner Shops at McCreless Mall in the seventies.

It has been about 30 years since I've seen her. Strangely about 2 weeks ago she came to my mind and I wondered how she was doing. I was shocked when I saw her obituary late Saturday night.

I remember Lupe as she is described by her family and friends.

Lupe had a deep faith in God, a lot of love for her family and always willing to help others.

May our Lord comfort you in this time of sorrow. May she rest in peace.

Lupe touched many people and will be missed by her "extended family" aka her co-workers at U.S.A.A. “ Liza and Family, my sympathies go out to you in this tough time. I was not fortunate enough to meet Lupe, but from the stories I have heard, she has instilled great influence in you for living well and being prepared for anything. I cannot imagine the great loss of and heartache this comes with. I hope that there is some closure as the memories collect from people who have been lucky enough to know Lupe. Abrazos.

“ My deepest condolences to the family of Lupe Ornelas. I met Lupe when I first started working in the Marketing Department at USAA. She warmly "took me under her wing" as was her kind and caring demeanor, and we became very close friends.... She constantly talked about her family which she loved very much. Lupe was an extremely special, compassionate person and will be missed dearly by many. Know that she is with her Lord whom she had a great relationship with. Lupe, my friend, may you rest in eternal peace with Jesus Christ our Lord and Savior. Love you always, Jo Elizalde
