“ *My beautiful friend, Lydia--- your passing left a whole in my heart. A tough lady who i admire tremendously. You let me share your son, Ryan with you and i will forever be grateful to you. He grew up to be a fine young man as the rest of your children. What a beautiful family you raised. I last saw Lydia at the Cher concert. She was seated a few rows ahead of me and i spotted her immediately. We were both so excited and chatted for just a few minutes. Little did i know what life had in store.... God bless Lydia and her children. I will always keep all of you in my prayers.*

No words can explain the feelings I have at this time. What I do know is that you will be greatly missed by all. My condolences to your children and family. May God comfort and strengthen them as they go through this terrible loss. I'm honored to say that I know you sleep till His coming. Till we meet again! God bless your children and the family!
