“ You would laugh and give a shy smile everytime I would pass your house as I was going to the bus and I would say "come esta La Señorita Gonzalez?" So cutie! Mrs Gonzalez I was so lucky to have met you, my family moved to this side of town in 1974 when my dad was retired from the Army. I met your sons at Bob Hope, I myself met you as an adult we talked a lot about plants and food, the old days, I liked seeing the world through your eyes there was a lot of good and fun things and there were not so many good things going on. You indeed were a happy lady you always had a smile for me and a prayer for me everytime I left your house felt happy as if I was your child, you made feel loved! I am very sad that your gone but I know you were living with pain just like my mother was, maybe you've met her in heaven already? I know that you are at peace and no longer in any pain and now you can dance all you want and be happy to be with your son. You were indeed Blessed By God! May God Bless Your Entire Family, most of all keep Mr. Gonzalez strong!

“ Mom I will always remember your beautiful smile, your wonderful laugh, how you loved and taught us to love. Thank you for being the best mom we could ever ask for and more. I hope I made you proud. My life has been a happy one and continues to be because you were the compass that I needed to guide me through both the calm and stormy seas. I take comfort in knowing that you are resting now and no longer having any ailments, no longer tired and no longer weak. I will pray for all our family in that God our creator gives us the strength and understanding as we mourn. I will never say goodbye but rather until next time when our family will be able to once again rejoice together in God's love. I love you! 💕🙏😊
