“ I loved Mrs. Koger so much, she was an amazing woman full of life and love for everyone. She had so much impactful wisdom, I'll never forget many conversations we had over lunch after services on Sundays. My daughters and I will truly miss her.

“ My sweet Aunt Lydia was one of the kindest people I have ever known. She always had a smile, a soft voice, and a fun story to tell me. I especially appreciate the love she showed my mother after the death of my father, her brother Ernest. My heartfelt condolences to my cousins on the loss of your wonderful mother and to my aunts and uncle on the loss of your dear sister. You are all in my thought and prayers.

“ I hold wonderful memories of your sweet mother. She always had a smile and open arms for everyone. I remember her warm Dr. Pepper drink she made Melissa and I. She and your dad always made me feel so welcomed. She was at my wedding reception with Melissa helping to serve cake. When my own mother passed she was there supplying the family with items we'd need. I share your loss and hold you all in my prayers.

“ *What a gift to our family when our Uncle Richard married you! I have marveled over the years how you watched over your family, raised my 4 cousins, took care of my grandparents, made family gatherings tasty and fun for us kids.*

No matter what went on in your life, you always found a way to smile through it. I can see your sparkling eyes and hear your musical laughter even now. My memories of you are dear to me. I am only sorry I did not see you in your last years.

I still have plants from the one you gave me years ago on a visit to your home when we went out to lunch together. I love you and Grandma Koger every time I care for them.
