

## Lydia Lozano Mass

January 3, 1911 - May 5, 2004

Our Mother was an extraordinary person... She had a strong will and an unwavering Faith: a true love for her “Sweet Jesus,” a strong devotion to His “Blessed Mother and the Rosary, and a powerful connection with the Holy Spirit. Her whole life was a testimony to the unconditional love of family and friends, she made no distinction between the two to the “power of prayer,” and to the Benevolence of God and His compassion for those truly in need. In the last months of her life here on earth, God worked miracles in her, through her and for her. She lived through 2 World Wars, a Depression, and the death of her beautiful Baby Bobby. She lost her mother at the age of 12 and had to grow up fast in order to help raise her siblings. She was a “working Mom” before it was hip, a Den Mother for the Cub Scouts, President of the Sacred Heart Mother’s Club, Mgr of the Bakery Dept at HEB, and Mgr at Solo Serve. She loved people and Dad used to say she would rather dance than eat; but he also said she ate only once a day, “all day long!” She had a sense of humor and in spite of all her hardships, every life she touched, and there were many in her 93 years, she left her mark-Peace. A genuine sense of peace and comfort...that was her gift. She never met a stranger and her home was always open...She was a child of God and a prayer warrior and now she is our very special guardian angel - none of us will ever feel alone again. Thank You Mom.
