“ Mom know that I will always love you and cherish every moment I had with you. Now that your in heaven there is a void in my heart and it not being able to walk in your house and see you smile. You are the best mother a son could every want. You taught me many things in life and because of you I'am the person that I'am today. Your loving, caring, beautiful self will deeply be missed by many but not forgotten. Until I see you again I love you with all my heart.

“ Mom you were the best mom in the whole wide world. You taught me to be strong and you taught me so much more. You also taught me how to be strong in my faith. Mom I will miss you so much but it brings me peace knowing your in heaven looking down on me. You're dancing with Jesus like you said. I love you mom. Until we meet again. 💜
