September 9, 1959 - July 13, 2020

Our beloved Lynnette Hawxhurst- Jenkins, 60, passed away July 13th 2020. She was welcomed into Heaven by her parents, Adrienne and Harvey Edward Hawxhurst along with her brothers, Richard Moses and Brian Hawxhurst. She was born in San Antonio Texas. Also survived by her beloved dog “Buddy” and several nieces and nephews.

She is also survived by her siblings Cheryl, Jerry (Sue), Lesley (Karl), Lisa and Siobain.

She lived a good and loving life full of many memories and adventures. She spent most of her time visiting and spending time with all her grandchildren which brought her much happiness and joy.

She was very outgoing and cared immensely about her close friends and family. She believed in hard work, respect for all and was very self- sufficient. She took pride in instilling these qualities into her kids and grandkids. Her dog, Buddy even had a strict schedule by which he abided. Her Legacy is shown through the genuine love and care through her grandkids and those that she loved and built strong relationships with.

She loved music, collecting certain items and refinishing wooden boxes and furniture. She also loved making people laugh and had a great sense of humor. She was very smart and a very good athlete in her younger days. She also enjoyed sharing her experiences with friends and family on how

important it was to have faith, be strong and always have hope. She was a strong support system and will be deeply missed.

Rest in Peace Lynnette

“ *Mom, I miss you as much today as I did the day you left us. You got a Grandson, and you would love him so much if you were still here. But i know that you are watching over him. His name is Osiris and his Dad is somebody you would approve of. Everything you wanted for me. I wish I was able to show you the woman and Mother I have become when you were still with us. But I told you I would make you proud. Theres been a few bumps in the road but overall, I know you would be proud of me right now. I miss you and your presence is dearly missed. Everyone always tells me that I remind them of you. It warms my heart to know that I carry a piece of you with me still. I love you forever Mama!  
Love, your Daughter, Kaycee*

*P.S. Give Mandy and Carolyn a big hug and kiss for me.*

“ I remember this one time, you came to visit me. We sat in the bench at the park and we talked four hours. I told you how much you meant to me and how amazing if a person you are. I thanked you for all the times you opened your doors to me when times got tough in life. You never turned me away. I loved that day spent with you. You always warmed my heart and brought a smile to my face. I also remember the time you told me i was like a daughter to you and you'd always love me. It meant so much. I still have the painting you hitched me. You write me a note on the back that said "To mandy my Favi" Lynette. Ill cherish it forever. You knew how badly i wanted it and said when you get your own place it's yours and sure enough when i got my own place you have it to me. Thank you for ask the love you have me. Ill always carry you with me. I love you so much. Ill miss you forever.

Love,

Mandy

“ Lynette was a beautiful intelligent soul with the most Caring Heart. She will be missed by many, more than she could ever imagine. She touched the lives of us both and taught his many valuable lessons. She gave an ear when you needed one. Lynette was everything to your grandchildren and her children. Family was the most important thing to her, and we were blessed to be considered family by her. We will pray for her family and those she left behind , because they are the ones with the hurt in their heart - Lynette however is resting peacefully. We love you Big Daddy and we'll keep your spirit to life forever. 🧡
