Micron and family, I am heartbroken over the loss of your mother. Please know that I pray for your comfort as you mourn her passing. She has found eternity that she has known would come as a true believer in our Lord, Jesus Christ. I know she is lovingly embracing Carter, and will openly embrace you and the rest of the family when your time here has ended. Know that I am thinking of you with deep love!

“ I had the pleasure of knowing Miss Mabel through her sister Bessie Jenkins. I always enjoyed the time spent with her and her sister when we would go out periodically and have lunch together. She was a wonderful woman of faith who truly loved God and never knew a stranger. I will speak with her periodically after she became ill. We had wonderful long conversations and in spite of her illness, She was always praising God for his grace and mercy and blessings. Great was her faith in God.

“ We cherish the years we knew Mabel and Clint in church in San Antonio. Her singing voice was one of the best in the choir and she excelled as a soloist as well. We are comforted by knowing she is in the ultimate choir now. May the family rest in the peace of knowing Mabel has embraced her reward for the life she lived and her example to everyone who knew her. Gary and Vickie Morgan
