Mrs. Solis was born in Green, Texas and spent the early part of her life in Kenedy, Texas until she and her family moved to San Antonio where she resided for 49 years. With faith and religion as her anchor, she embraced each day as a mother and wife and raised her children in a loving home with much attention and care. She extended that love and affection as the family grew to grandchildren and great grandchildren.

She served as a bus aide for students with disabilities and was active in her church senior community center and activities enjoying music, dancing, and field trips. She enjoyed gardening, particularly fruit trees and flowering plants and her home was always home to a pet or two. She will be remembered as a loving, kind, honest, guiding and energetic individual with a fine eye for detail who always put family first. She will be missed but will live in the hearts of those who knew and loved her forever. May she rest in eternal peace.

“ *When I think about growing up with Grandma, these are the memories I will always have and hold close to my heart - you beautifully dressed and dancing in high heels; Christmas bags of goodies; pears from your pear tree; feeding us, especially arroz con pollo. Love you, Grandma.*
