Tribute Wall

“ We want to wish our deepest condolences to Maydelyn’s family. She was the most kind hearted person. She was always friendly and a person you enjoy talking to. We met her as a Avon representative. We truly enjoyed her friendship. We will miss her kind words and smile. Darlene you have been a devoted sister that left you wonderful memories, but most important the love that she left in your heart.

“*Madelyn was an outstanding person and employee of Clarke. She was a very dedicated and loyal employee and her work ethic was one of the best I have ever seen. She knew every job in the bindery and insured that her team always served our customers well. She would always help other locations by traveling to the location or sending employees that worked for her to help. Our company’s success was built with wonderful people like Madelyn. I was fortunate to have had the opportunity to work with her. My prayers and blessings go out to her husband George and her sister Darlene.*

*God Bless,
