

Madison Asher McMahan

October 31, 1998 - August 24, 2018

Madison Asher McMahan was born on October 31, 1998 in San Antonio, Texas to Kenneth McMahan and Elizabeth Mendiola. Madison passed away on August 24, 2018 at the age of 19. She was preceded in death by her paternal grandparents, Olan and Anna McMahan; and maternal grandfather, Eugene Mendiola.

Madison is survived by her parents, Kenneth and Elizabeth; sister, Taylor Villegas; grandmother, Anne Ingle; and numerous aunts, uncles, cousins, and friends.

While living in Texas, Madison attended schools in Comal ISD and graduated from Smithson Valley High school in 2016. Growing up, Madison played soccer, loved animals, and wanted to be a marine biologist or veterinarian. As she grew into a beautiful young woman, she left us only to be remembered as such. She is, and forever will be, missed by all who have been graced by her kind and gentle presence.

“ I remember first meeting you at a Posada event when Taylor & Albert were dating. We later had the pleasure of experiencing your kind and sweet nature, which was always present and will be missed. These are a few of the memories I recall, all such sweet moments. Our deepest condolences to Elizabeth, Kenneth, Taylor and your entire family.

It's hard to believe and hard to articulate how shocked and sad I am hearing this unbelievable news, Madison spent a lot of time at my home and spent time with my granddaughter who even though the age difference (about 4 years), they still liked each other and had fun, even though they didn't see each other. But when they did, it was like no time went by. She was such a sweet and loving girl, She loved her family, although they might have been in another state, she still remembered the good times, and her far away family. We all miss you Madison.

I am not so prepared to say good bye to my niece tomorrow. because she was such a presence in my life. I LOVED this girl, she spent time with my kids and was such a joy to be around. Her smile and laugh just cracked us up.
