“ *I would like to share, why I would call my brother "Boy". I was 2 years old when my brother Manuel was born. My Mom told me I would go around the saying "Baby Boy" all the time. I don't remember how old we were, but he told me I couldn't call him that anymore. So if anyone that knows me, I started to cry. So he told me I could call him Boy. So now, "Boy" I miss you so much, it was hard for me because you look so much like Dad. I know you are in the hands of The Lord where there is no pain or suffering I will have you in my heart always until we meet again. I Love you, Boy! Your Sister Yolie*
