“ I was saddened to hear of my friends passing. Manuel & I go back about 18 years. I knew him to be hard working and a loving father. I admired how much he loved & respected his wife Julie & he loved to buy her pretty things. I fixed a lot of his personal & company vehicles. Years back his goat messed up his brand new Chrysler SUV and I fixed it for me. My wife had wanted a golf cart so Manuel gave me a golf cart he had & when I went to pick it up, he threw in the goat too. I laughed so hard but Manuel was going to make sure that goat wasn't going to mess up his brand new car again. He always thought of me & my family on special occasions & would call me up to send me greetings. I miss my friend. My wife & I offer healing prayers for Julie & all the family. May the Perpetual Light of Jesus shine upon my friend and May he Rest In Peace. Always your friend, Luis

“ Share a memory of Manuel Rangel well so many to chose from. But for the people that knew him he was the life of any gathering always smiling and was just that guy but would be necio talking mess at times lol but in a good way... Knowing Manuel growing up on Winnipeg with Ruben and my brother Cubbie as the lil pain in the butt lil brother boy oh boy would they mess with me lol but great memories. From his Low Riders n Mustang bike days to his crazy choice in pets lol that was just Manuel he wanted to have best and those memories stood out to me. But the memory that stands out the most is the love he had for Julie his other half and especially his children n his family... The memories will live on Compadre TY for all the advice when I needed it. We love you & miss you.

“ My “big-little baby brother” (as u and I would say) I am devastated by you’re sudden passing. We were all suppose to be together that morning. I wake up every morning praying this is all just a long nightmare. You were an amazing brother so sweet, caring, loving brother. I was blessed to have you as my baby brother. I will miss our daily talks filled with laughter. I loved when u would get mad if someone tried to interrupt our conversation. I pray every night that I dream about you. God gained another angel. Right now the world seems so empty without you. I will always be there for Julie and the kids. I will give Emma a sweet kiss for you. I can’t wait for the day we meet again. Luv u Big- little baby brother. Love your sister Sonia

“ Rest In Peace 🙏  
You were gone to soon Manuel  
I remember in elementary school going to your moms store when we would get out of school to get candy and sodas, to the low rider days with your black mini truck and then your blazer rattling the windows to my moms house, to your S-10 with hydraulics.  
Good memories I will never forget!  
Julie my condolences to you and your family.

“ Julie(chacha) and family, there are so many memories I have of Manuel! Dancing, laughing, cars, school and then of course Julie and Manuel early relationship(before kids). We had so much fun! I will always remember how much he loved to joke and pick on me! (not in a bad way). I'm very sad that this has happened to you and your family but I know you Julie, you are a resilient person and have faced many many hardships in your life and you will get through this as well, with God and your families help. I know we haven't seen each other in years, but you guys have always been in my heart and mind! We are still friends and always will be. I am here for you if you need me.....

“ *When God called your name Manuel, we prayed and prayed selflessly, that God changes his mine, we didn't understand, and expected to leave before him. Manuel's memories will be treasures, and one of them will be that he was a family man, and that his love for his family was shown. The pain of knowing we won't see him again will never go away, but knowing Manuel he will never leave us and he will continue his love. He has earned his wings now, and know he will be around us. We will be for always broken but knowing Manuel, he will use his new powers to always protect and comfort our pain. Manuel will help us fight our battles to move forward. Love you brother From Juan and Sonia Montez*
