

## Manuel Everette Salazar

October 26, 1936 - September 2, 2023

Manuel Everette Salazar passed away in peace at the age of 86 on September 2nd, 2023, in San Antonio, Texas. He was a husband of extraordinary character and a father and grandfather who loved his family more than all the drops in the oceans. Manuel had a beautiful loving heart who dearly loved the Lord, and our Blessed Mother Mary. He and his wife Eloise (Elly) lived a loving life together for 66 years, always placing their faith in God.

Manuel had an illustrious 23 year career in the United States Air Force, retiring in 1979 as an E-9 Chief Master Sergeant. He then continued to serve his country by working as a civil servant at Randolph Air Force Base in the Office of Personnel and Management, fully retiring in 1995.

Manuel was a very active member of his parish at Blessed Sacrament Catholic Church. He also loved attending and leading Rosary Services at our Lady of Lourdes Grotto where people would often approach him and his wife Elly with their sorrows and tribulations. With both their gentle and spirit-filled hearts, they shared the love of Jesus with everyone they met.

Manuel was born on October 26th, 1936, in San Antonio, to Manuel Salazar and Genevieve Rodriguez. Mr. Salazar was preceded in death by his wife Eloise Salazar, his two sons, Arthur Myron Salazar and Gary Alexander

Salazar, his daughter, Arlene Carol Salazar, his granddaughter Kristen Salazar and his sisters Genevieve S. Garza and Anna Marie Niedenthal.

He is survived by his grandchildren, Michelle Wyatt (Greg), Jennifer Lee Nicewarner, Kelly Ann Sluder (Dusty), Eloise "Elly" Salazar; great-grandchildren, Haylee Wyatt, Leigha Sluder, Presley Bae Nicewarner, Breckyn Jett Nicewarner, Aidan James Nicewarner, Witten Nicewarner, and Lochlan Van Wallace.

“ *Sal and I worked closely together for 14 years--first as coworkers before he became my supervisor. He taught me all the ins and outs of our complicated Air Force A-76 Program, software design development, costing, and intensive reporting development using various applications. He was an expert in the field and worked diligently with me to develop me into an expert over time. I owe him a great deal of debt for my success due to his teachings. He was a brilliant and kind man. He loved his family so, and I know he is now rejoicing with them in heaven. Rest in peace my dear friend. Linda and Ron Dunwiddie*
