“ To my big brother! I always told you I loved you and I know you know how much. We never hung up or stopped texting without the words I love you 💕. Im sorry you hurt soo much deep inside and that I couldn't fix you. I wish the hurtful things that happened to you in your life never did. It crushed me emotionally to watch you suffer. 😞 But in light of things.....I hope I brought you some laughter because YOU brought me enough to last my lifetime ❤️. You will never ever be forgotten. I promise you that. I love you Scotty. Goodbye for now....but not forever. You can give me a ride on your back when we meet again! 😭 Love Lindy

“ RIP Scott,  
You were my best friend as we were growing up, The Brother I never had.. I was Blessed that our Heavenly Father allowed me to have such a great person / Friend enter my life . I will always cherish the memories I have of you as we were growing up. I enjoyed talking to you and having you over to our house for BBQ. I am deeply saddened that you are no longer here with us. But I know you are in a better place with our Heavenly Father.. I know we will see each other again. Rest In Peace my Brother , until we meet again Love you my Brother...
