“*Manuela was a very loving and beautiful person. My family and hers would spend time together when I was very young they lived in Morenci and we also lived up north in Bay City Michigan. Our Fathers Joe Flores and Loui Cuellar were best of friends and my Mother Lupe and Manuela were also close friends. We enjoyed hanging out with the girls and would visit them often. I remember Lori and I were the tomboy's and get into trouble together lol. I will cherish all the memories I have of Manuela as even as early of 3 years ago I had the privilege of still working with her ❤️ One of the most honest, loving Christian woman I knew. Enjoy your new heavenly body and being with all your loved ones in heaven my dear beloved friend. You'll be missed but we'll see you again one day that's God's promise to us believers so give a warm hug to bro. Loui and my parent's 🙏❤️ You're with our Savior now in perfect Peace 🙏❤️😊😔*

“ You have always been the heart and soul of our family, and your love has touched us all deeply. I'll never forget our memories together, where you taught me to never be scared to get up and dance even if everyone is watching. Thank you for teaching me the value of kindness and resilience. Thank you for being the foundation of a generational faith that I have now instilled in my family. Your wisdom will stay with me forever.

Though you are no longer with us, I feel your warmth and guidance every day. I miss you and love you so much!

*With all my love,
Aaaaaashhhhh*

Love you Gramma! You've left an amazing legacy! Cherishing you forever in my heart!! Wished I could peek through the veil of eternity to see what you and Jesus are talking about right now. So thankful that you and Grampa are watching over us and cheering us on! We still have so much left to do for Papa's kingdom, I carry this baton faithfully and with honor to the ones who've gone before us! We will carry you with us in the times we are together, putting God and family first always! <3
