“ I'm in utter shock that my friend is gone. Marc, find rest my friend. I will always love you ❤️❤️ We shared some great times in the past 20 years. Although it had been a while in these last few years that we'd run into each other; you were always so sweet and loving. I'll always remember the night we sat on the lawn chair together, under the full moon, talking all night, smoking our cigarettes away. 🌸🌸
❤️ One day we'll meet again. Always, Jason's Todd

Do you happen to know what happened to my dear friend Marc. He was my first boy friend. We met at McDonalds where he was the manager. I was just a teenager. We were so young.

“ *Marc was a wonderful human being and shined wherever he went. He was so purposeful in his kindness to others. I recently got to hear him tell a member her driving record was lovely. There was no one else like him. He earned a spot to mentor others, and his influence will be dearly missed. God bless you.*

“ *I just remembered that I was the lucky one who got Marc's white elephant Christmas present. It was an assortment of Play-doh and Flarp. I don't think my daughters have ever laughed as hard as they do when they're playing with that Flarp. Such happiness and pure joy he brought to my days. I wish I could tell him.*

“ Marc.....a man who's contagious laugh can be heard across the floor and a smile that lit up the department. You were an amazing man, friend and mentor. You were always there for all of u, and put us before you no matter what. I will miss the big smile and "good morning aaaaamooooondaaa" on a Saturday morning when nobody was awake to start the work day. You are gone but will never be forgotten. Rest in Heaven brother. 🙏

“ Things are not the same here without Marc. No one greets me good morning like Marc always did. I can't hear him speaking with his members on the phone. His laughter was so infectious and his zeal was unmatched. We are so incredibly grateful for knowing Marc.

“ Marc,

I think you were the world's best hugger! You always had a hug for me when I saw you. I will never forget the time we spent together. I could always count on a hug, a smile, or a wink, especially when things were rough at work. You were a beautiful soul and a lovely person to be around. I loved listening to your "Marc-isms" when you were talking with members, Christina and I would just giggle. You have left a hole on our old team that no one else will fill. I will always miss being able to walk to your desk and get my big hug! I hope you knew how much you meant to us and how much we love you. Fly with the angels, my friend!

To the Kuder Family:

Thank you for sharing this beautiful person with us. We love him and will miss him.
