Marcelina Fernandez

(Marcey - Lyne)

October 22, 1952 - August 6, 2018

Our dear sister, Lyne was rescued from this life by our Lord after her heroic and courageous battle with ITP, a ravaging attack on her body following a Stem Cell transplant last October. She was cancer free at the time of her death. She will always be missed, remembered and loved by all that knew her. She is preceded in death by parents Isidoro Fernandez Sr. and Esperanza Serna Fernandez; sister Gloria and brother-in-law, Richard Lee Bishop II. She is survived by paternal uncle, Charlie Fernandez and 2 brothers and 4 sisters: Isidoro Jr (Shirley); Anna (Ben); Veronica (Bob); Lydia (Ric); Victoria (Yolanda); Luis (Laura). Nieces and Nephews; Veronica Marie (Pony); Lisa Michelle (Brett); Izzy (Erin); Chelsea (Andrew)); Richard Lee III, Kyle Taylor, Everly Rain, Victoria Marie, Ava Izabella, , Brio, Mariah Hope and Amaya and a multitude of cousins, friends and associates.

God blessed Lyne with a multitude of gifts and talents; Painting, Music, Gardening and Baking. She shared those gifts self-lessly with each and everyone she met but especially her nieces and nephews. She was a Master Pastry Chef for decades; if you could imagine it; she could create it. She was employed by Josie Ball's, Nadler's, Sea World & La Madeline.

She took an early retirement to care for our Mother until her passing. Her final

work was as a Companion for Humana-at-Home. She loved each of her clients and it was a joy for her to make a difference in their lives.

Marcelina earned an AAS in Graphic Design from San Antonio College and a BBA in Marketing from University of the Incarnate Word. She was a member of the UIW Alumni.

“ Lyne I've missed you more than I ever imagined possible. It's important to take time out of our busy schedules to look around and appreciate the beauty that life has to offer. It can be simple things like singing to a Carol King song and thinking back on the days at 822 W. Wildwood. Planting a garden and being amazed that 3 months later it's in full bloom. Spending a day at the Guadalupe river and watching the kids learn to swing off a rope to land in a running River. A day of cooking family favorites and smelling all the familiar scents of our childhood. It pretty much seems that no matter what I do I realize how much I've learned from you along the way through our journey as Sisters and for this I thank you and for this I know how much I will always miss you in my life.. But guess what “It's Alright Now” because you are “Free”. And “ Yes” Less is More ❤️
