“ *Dear Joe Mac and family,
Charlie and I grieve with you over the loss of your dear Marcia! God is so good in creating love, family and shared nurture. Joe Mac and Marcia shared life so beautifully as they moved through their 68 years! We were blessed to have been touched by their joy for living. They were loving as they encouraged those around them. Marcia was so dear in her communication and friend keeping. All of us will miss her beautiful cards as we did this past Christmas. Most of all, we will miss her beautiful life.! Joy and Charlie Hall*

“ When we heard the news about Bunkie's passing, Eddie, Rachel and I all were very sad. We have memories when she visited in California as well as seeing her in Texas. Once, while visiting my mom, and I answered her phone and someone named Marcia answered and asked how I was doing which I thought was nice. I assumed she was one my mom's friends. After hearing the conversation, I realized it was Bunkie. I never knew her name was Marcia until then.

I'm thankful for the many years she and Joe Mac hosted the Owen Reunion. She always worked hard to do this and it really gave us all so many wonderful memories.

I will always remember Bunkie as being loving, generous and full of life.

*Love and sympathy to Joe Mac, Kelley, Mark and family.

“ *Will miss Bunkie, my cousin/dear friend), so much. Great memories of staying at her house during our annual family reunions. Shopping, visiting on their wonderful screened-in porch, watching all kinds of creatures in the yard, sharing lots of great family stories, and laughing a lot. Love her story of an armadillo who met his fate one day in the back yard. When Joe Mac got home she told him that dinner was in the yard, but he would have to clean it first!! I loved her dearly and will miss her so much.*
