He was born September 12, 1985 in Corpus Christi, Texas, the son of Joe and Melinda Rodriguez. He attended Wake Tech College in Raleigh, North Carolina in pursuit a career in fashion and retail sales, which was curtailed by medical conditions.

Marcos is survived by his parents Joe and Melinda Rodriguez of San Antonio, Texas; his brothers Michael, Mathew, and nephews, Jacob and Jaxson. He also leaves his maternal grandparents, Jose and Guadalupe Rodriguez, many aunts, uncles, cousins and friends.

Those who knew Marcos, even just a little, know that we lost a role model and a shining light in our lives.

Marcos is the rock of the Rodriguez family. He was intelligent beyond expectations. He provide realistic and sound advice to any topic after analyzing all possible factors. His responses were always precise and correct.

Marcos was an avid sports enthusiast and a lifelong fan of the Dallas Cowboys and Florida State football teams.

From an early age he always had a smile and loved to and hang around with his older brother, Michael. He cherished the ground Michael walked on. As Marcos medical condition deteriorated he formed a strong bond with his younger brother Mathew. During that time, Mathew took the lead role as Marcos's caregiver and provided tender love and care to Marcos no matter what time of the day or night.

Marcos brought so much love and joy in our lives and to those who were around him. Marcos will always be remembered for his honesty and kindness toward others. He always seemed to look out after others and always put others before himself. As parents, we can only describe Marcos as the "perfect son" that will be missed and will be in our memories forever.
