In Loving Memory of Margaret G. Espinoza

It is with heavy hearts that we announce the passing of our beloved Margaret G. Espinoza, a cherished mother, grandmother, and great grandmother. Margaret left this world on July 14, 2023 surrounded by the love of her family.

Margaret was born and raised in San Antonio on December 15, 1946. She was a devoted daughter, sister, and friend, known for her kind and compassionate nature. Her warm smile and gentle demeanor touched the lives of all who had the privilege of knowing her.

As a mother of two, Margaret dedicated herself to raising her children with unwavering love and support. She embraced every moment, sharing laughter, guiding them through challenges, and celebrating their triumphs. Her legacy lives on through her children, who carry her wisdom and love in their hearts.

Being a grandmother brought immense joy to Margaret's life. She cherished the time spent with her four grandchildren, nurturing them with stories, baking treats, and creating cherished memories that will be treasured forever.

In her later years, Margaret had the joy of becoming a great grandmother to two precious souls. The love and wisdom she imparted on her family will be

passed down through generations, ensuring her spirit remains alive in their hearts.

Margaret's compassion extended beyond her family. She was a dedicated and accomplished corporate manager and administrator, always ready to lead and help members within her working family. Her generosity and kind spirit touched many lives, leaving a lasting impact on all she encountered.

As we mourn the loss of Margaret G. Espinoza, let us also celebrate the beautiful life she lived and the love she shared. Though she may no longer be with us in body, her presence will forever resonate in our hearts and minds.

“ My grandma Margret was a very special woman. She always had a humorous way to answer things, making sure there was always a smile in her presence. If it wasn't her humor that brought a smile to your face then it had to be the energy she brought when she entered a room. Grandma is now with my Great grandma Juanita and the rest of our family before them. I love her and will always including the moment I greet her in heaven❤️ this is not a forever goodbye, this is just the time to remember the wonderful full life she had and a beautiful family she created.
