“ My Aunt Margaret was the best aunt ever!...I remember when my siblings , cousins & I were all just little kids we would always get our flu shots from Aunt Margaret because she was an RN , back then nurse's wore white outfits..she was all white from head to toe & me being a little kid thought she was an Angel 🙏, we went to Uncle Ernest & Aunt Margaret's house every Christmas 🎄 and she always had The Best home made pies I've ever tasted also snuck in some spiked egg nog when no adults were looking later went down to the ranch to help out what a great experience that was. My Aunt & Uncle became two of my best friend's ever , it was one of the most fun times in my life no doubt & I'll never forget it because i have those memories stored upstairs in my mind 👍 Ernest & Margaret were two of the best human beings to ever walk the earth and I'm glad I got to spend quality time with them. I love you Uncle Ernest & Aunt Margaret, until we meet again 💕 - Steve Perez

The family owned the old Martin Wright place at Medina Lake. You can't imagined the excitement when I would hear the car on the gravel road coming up the hill for Christmas, bringing Grandma Na and Aunt Margaret!

Before that, mom told me that she had to go into the PX at Lackland. Left Margaret with Skipper and me. Being babies, we were loudly crying. When mom got back, Aunt Margaret had both of us quiet!

I go through pictures from the 40s. Have a beauty of a very beautiful Aunt Margaret standing in the water of Medina Lake, holding me, I am in diapers.

Lost contact with mi familia until Aunt Margaret called my mom in the early 90s.

Been a great pleasure talking with her since.
