“ *Your mom was definitely one of a kind. She had a very distinct voice. One of my favorite memories of you mom is the chocolate cakes with caramel topping. She called me a couple of times over the last year or so asking about mom. During one of those conversations I told her I loved those cakes and she thanked me. She made the caramel topping by boiling sweetened condensed milk. She's the only person I knew that made that cake.*

“ My favorite memory of Margaret (so many over the years to choose from) is the special date we shared, October 8, 1955. On that day Margaret and Bob Wells walked down the isle and said their "I do's" in New York, while here in Texas I was born that day. We hadn't met each other yet. We met in the 1960's and when Margaret learned we share that special date, she called me on my birthday for years and sang different versions of "Happy Birthday" to me, and I wished her Happy Anniversary! This went on for many years, long after Mr. Well's had joined the Lord in Heaven. I'm going to think of her on my birthday and miss that call this year. Rest in peace, Margaret. I LOVE YOU!

One of our immortals has passed...My early years were, as for all of us, a brief time in my life, but Mrs. Wells had a profound impact. I have so many memories. The Wells family was so giving of their time and love to so many. No one was ever a stranger in their home and everyone was family. Mr. Wells taught me a lot about baseball and life and Mrs. Wells taught me a lot about family and life. It came together in many ways to shape who I am and I am very grateful. God bless this family.
