

Margaret "Mimi" Roe Broadhead

May 21, 1937 - November 29, 2019

Mimi Roe Broadhead of San Antonio, TX, passed away on Friday, November 29, 2019 in her home. She was born Mary Margaret Roe in Little Rock, Arkansas on May 21, 1937. She was the sole child of Dean Roe and Margaret Boone.

Mimi is survived by her children Amy Elizabeth Haltom (John) and David Edward Broadhead, her grandchildren Dean Luis Hernandez (Brandi), Nikhahlas John Knipper (Jessica), Carolyn Michelle Haltom, September Laura Broadhead, David Alexandre Broadhead (Gabriella), and Michael Anthony Broadhead, and her great grandchildren, Savannah Rayne Knipper, Jacob John Knipper, and David Alexandre Broadhead. She is also survived by her recently discovered brother Jack Baker (Karole).

Mimi was raised primarily in Paragould in Arkansas. She attended Middlebury College in Vermont where she met her husband, David Broadhead. She and her family later moved to Ames, Iowa where she and David attended Iowa State University. After obtaining their graduate degrees, they moved to St. Thomas in the U.S. Virgin Islands where Mimi worked as a computer programmer at VITELCO, the Virgin Islands Telephone Company and WAPA, the Water and Power Authority. After she was divorced, Mimi moved to San Antonio, Texas with her two children and began her long career as a civilian programmer/analyst and manager for the Airforce Services Agency at Randolph

Airforce Base.

Two of Mimi's passions were watching ice hockey and playing golf. She became interested in hockey while attending Middlebury College and occasionally flew to New York to attend Rangers games. She loved golf since she was a child caddying for her father, who she adored. Before retiring she often played golf with her friends and volunteered at the Texas Open. After retiring, she met many new friends when she became a member of the Grasshoppers.

Mimi also loved to travel with her friends. She traveled several times to Europe and the Caribbean, but also a few exotic places like New Zealand and Machu Picchu. Every Wednesday she loved meeting her "lunch bunch" friends from her time at Randolph Airforce Base.

There will be a memorial from 1:00pm to 5:00pm on Wednesday, January 8, 2020 at the Olympia Hills Golf and Event Center in Universal City, Texas.

“ Oh my dear God. I was so afraid to research this but it had been too long since we exchanged messages on Ancestry. My name is Courtney Tolbert and Mimi shared a strong DNA match to me, my mother, and my sons. I contacted her to do research, and she was so warm and welcoming to me with her great sense of humor and frankness. I looked forward to each and every message from her. As my mother was ailing (I lost her last year) she offered her sympathies. She encouraged me when I was having health issues and made me laugh when I could hardly smile. You are all so blessed to have had her in your lives, what a gift of a person she was. I know it's been awhile, but we both said that Thanksgiving was our favorite holiday and I wanted to let her know that I was thinking about her this holiday more than ever. I send my prayers for a healthy, warm holiday dinner. If you are all missing her, imagine there is a little family in Washington, DC that will say a prayer for you all and think of Mimi with warmth and affection.
Sincerely,
Courtney Tolbert and family.
