“*Margie (I called her Machie) went to elementary together at Our Lady of Perpetual Help. We were good friends to which she practically lived at our house. My mother would wash and iron her uniforms to get her ready for the next week of school. She was like a sister to me. I regret not keeping up with Margie. She was a kind and loving person and was a good, good friend. May God bless her family as they go through this difficult time. Rest Easy Margie!*”

“ I met Margie at Our Lady of Perpetual Help Catholic school, where I and my sister Yvonne Cervantes were students. Her brother Alvino and I were in the same class. Later, when I attended Providence high school, Margie was a senior, and chose me as her "Fish", or Freshman. She was so very kind to me, and told me if I ever needed help with anything, she would be glad to assist me. I had been bullied by one of her classmates, and she assured me that she would talk to her classmate, or report her to the principal. Years later, my brother Louis Cervantes ended up working for the city of San Antonio with her son Mike. I saw her a few years ago, when Mike was renting my parents old home, and we were able to reminisce about our school days. My deepest condolences to her family and friends, may God's love and comfort bring you peace. A Holy Mass will be dedicated in her name, at my parish, San Juan De Los Lagos, here in San Antonio.
