“*Margie, If I could turn back time, I would have hugged you even tighter on that Saturday that we did Painting with a Twist as that was the last time that I saw you. I am so very thankful that you, me and Michelle had this sister time together but I wish we would have had more time to have more sister time. I still cannot believe you are gone and there is still so much I need to talk to you about and say to you. You weren't suppose to leave this early but I know that God had other plans for you which are awesome but it is just really hard. I know you are extremely happy in Heaven with our heavenly Father and with Jesse and Mom and your Dad so this makes me happy for you as that is our eternal home. Margie, I just want to say that I love you and I will carry you in my heart always and I pray that you knew that you were loved. Thank you for always being there for all of us and I hope you are enjoying the choir in Heaven. I love you.*

“*Margie was a wonderful, beautiful servant of God and a true sweet friend to me for over 20 years. We had so much fun and joy working on a variety of church programs. She was always willing to help wherever help was needed. Margie was loved much by me and my family. Margie, I know you are with Jesus; enjoy your new home!*

“ My beautiful sister. I'm still at a loss for words and missing your presence more than ever. I was blessed that God chose you as my sister. You taught me compassion and empathy for others. I will always remember your kind and generous soul. The world is so different now and this pain I'm feeling will be here forever but I know you are at peace in heaven and I'm thankful you will be another angel to watch over us... you were always an angel here on earth and to me you were a super hero. Your super power was "miracle maker"... you found ways to make things happen even when none of us could see it. I will always miss you and your laugh. Please give mom and Jesse a hug for me and please come see me in my dreams! Love you always. Your little sister Michelle.

“ Margaret was a dear friend to me and my husband. We met at Baptist Health System around 19 years ago. She also worked with me at Quality Auto Group and replaced me at Warm Springs Rehab Hospital when I left. Margaret loved the Lord and now will be home with our Lord and Savior. Don and I will miss our conversations with her. Margaret will be able to see her precious mom and son. Farewell my friend until we meet again.

“ *RIP Margie. You were a light to the world and especially to your family. You will be missed, but we are overjoyed that you have moved into your new home; your everlasting home with Christ. Faith was the tool you depended on while completing your work here and faith led you home to our ever loving father in heaven.*
