“ I would like to send my sincere condolences to the Olvera family. I know that the departure of Margie has left a void in your hearts. Please feel comfort knowing that she is at peace and with loved ones, that I am sure she missed dearly and now will be reunited with. i know that she is in a better place and with her mother who was there to welcome her with open arms. God is merciful and gave Margie what she needed. My heart and prayers go out to all her loved ones.
